Participation in high school sports is not without risk. The student-athlete and parent/guardian acknowledge truthful answers to the above questions allows for a trained clinician to assess the individual student-athlete against risk factors associated with sports-related injuries and death. Florida Statute 1006.20 requires a student candidate for an interscholastic athletic team to successfully complete a preparticipation physical evaluation as the first step of injury prevention. This preparticipation physical evaluation shall be completed each year before participating in interscholastic athletic competition or engaging in any practice, tryout, workout, conditioning, or other physical activity, including activities that occur outside of the school year.

We hereby state, to the best of our knowledge, that our answers to the above questions are complete and correct. In addition to the routine physical evaluation required by Florida Statute 1006.20, and FHSAA Bylaw 9.7, we understand and acknowledge that we are hereby advised that the student should undergo a cardiovascular assessment, which may include such diagnostic tests as electrocardiogram (ECG), echocardiogram (ECHO), and/or cardio stress test. The FHSAA Sports Medicine Advisory Committee strongly recommends a medical evaluation with your healthcare provider for risk factors of sudden cardiac arrest which may include the special tests listed above.

Part 1: Student Acknowledgement and Release (to be signed by student at the bottom)

I have read the (condensed) FHSAA Eligibility Rules printed on page 5 of this "Consent and Release from Liability Certificate" and know of no reason why I am not eligible to represent my school in interscholastic athletic competition. If accepted as a representative, I agree to follow the rules of my school and FHSAA and to abide by their decisions. I know that athletic participation is a privilege. I know of the risks involved in athletic participation, understand that serious injury, including the potential for a concussion, and even death, is possible in such participation, and choose to accept such risks. I voluntarily accept any and all responsibility for my own safety and welfare while participating in athletics, with full understanding of the risks involved. Should I be 18 years of age or older, or should I be emancipated from my parent(s)/guardian(s), I hereby release and hold harmless my school, the schools against which it competes, the school district, the contest officials, and FHSAA of any and all responsibility and liability for any injury or claim resulting from such athletic participation and agree to take no legal action against the FHSAA because of any accident or mishap involving my athletic participation. I hereby authorize the use or disclosure of my individually identifiable health information should treatment for illness or injury become necessary. I hereby grant to FHSAA the right to review all records relevant to my athletic eligibility including, but not limited to, my records relating to enrollment and attendance, academic standing, age, discipline, finances, residence, and physical fitness. I hereby grant the released parties the right to photograph and/or videotape me and further to use my name, face, likeness, voice, and appearance in connection with exhibitions, publicity, advertising, promotional, and commercial materials without reservation or limitation. The released parties, however, are under no obligation to exercise said rights herein. I understand that the authorizations and rights granted herein are voluntary and that I may revoke any or all of them at any time by submitting said revocation in writing to my school. By doing so, however, I understand that I will no longer be eligible for participation in interscholastic athletics.

Part 2: Parent/Guardian Consent, Acknowledgement and Release (to be completed and signed by parent(s)/guardian(s) at the bottom; where divorced or separated, parent/guardian with legal custody must sign.)

I know of and acknowledge that my child/ward knows of the risks involved in interscholastic athletic participation, understand that serious injury, and even death, is possible in such participation and choose to accept any and all responsibility for his/her safety and welfare while participating in athletics. With full understanding of the risks involved, I release and hold harmless my child's/ward's school, the schools against which it competes, the school district, the contest officials, and FHSAA of any and all responsibility and liability for any injury or claim resulting from such athletic participation and agree to take no legal action against the FHSAA because of any accident or mishap involving the athletic participation of my child/ward. As required in F.S. 1014.06(1), I specifically authorize healthcare services to be provided for my child/ward by a healthcare practitioner, as defined in F.S. 456.001, or someone under the direct supervision of a healthcare practitioner, should the need arise for such treatment, while my child/ward is under the supervision of the school. I further hereby authorize the use or disclosure of my child's/ward's individually identifiable health information should treatment for illness or injury become necessary. I consent to the disclosure to the FHSAA, upon its request, of all records relevant to my child's/ward's athletic eligibility including, but not limited to, records relating to enrollment and attendance, academic standing, age, discipline, finances, residence, and physical fitness.
